NEWS FROM WASHINGTON, D. C.

Mr. Root in Russia.

The selection of Elihu Root to head the mission which we are to send to Russia brings again into the active service of the nation a statesman and a diplomatist of the first rank.

Mr. Root will go to Petrograd with a message to the new Russian Republic. It is a message of brotherhood and of co-operation and of hope and helpfulness. No American is better fitted to deliver such a message than Mr. Root. His tour of the Latin-American Republics in the time of his occupancy of the Secretaryship of State, the speeches which he then delivered and the interpretation which he then gave to the ideals and purposes of the United States and the splendid results which his visit produced are indicative of the success which will attend his stay in Russia. His colleagues in the mission are men of eminence; but they cannot touch the imagination of the leaders of New Russia as he can, and the President is to be congratulated both upon having selected Mr. Root for the task and upon having obtained his consent to undertake it. It is a good beginning, we hope, of a policy, too long deferred, of clinging into the nation's service the best talent which the nation has, instead of confining all the labor, all the honor, all the credits to a single political party.

"Prepare for Peace."

We have learned by sad experience the folly of failing to adopt the policy: "In time of peace prepare for war." Shall we also learn by experience the need of a new slogan: "In time of war prepare for peace"? Shall the welcome arrival of peace find us with no statutory bulwarks to protect our high paid workmen from the competition that is certain to await us from the further shores of both the Atlantic and the Pacific?

Submarine Not Conquered Yet.

Putting a new ship in the water for every ship that is sunk by submarines, may not prevent starvation in England. The ship that goes down carries a cargo of food and other supplies with it. The new ship may never get across the ocean. The real solution of the submarine problem is yet to be discovered, and the man who finds it will rank with the greatest naval heroes of the world's history.

Time to End Sectionalism

From Washington comes the news that Claude Kitchin remains insistent upon assessing the cost of the war upon the business interests of the country. Perhaps, though, this is information and not news, for Kitchin has consistently advocated the levying of taxes which, as he has boasted, will have to be paid north of Masons and Dixon's Line. Hitherto he has had his way about it. Now, however, a different spirit should prevail in the raising of revenue. Money for the war is not to be spent down South, nor to provide comfortable berths for deserving Democrats. It is to be spent in equipping the nation to fight and in maintaining our fighting forces in the field. This is a national problem, not a sectional or partisan one.

James S. Golden Candidate For County Attorney

I take this means of coming again before the citizens of our county in order that they may know full well the things which I stand for and the kind of a race I intend to run.

I wish to say in the outset that truly I have not the slightest ill will at any of the gentlemen who are running against me. I fail to see the reason why anyone should become so aroused in a race such as we are having to commit himself to an attack upon some one of his opponents. I feel that we had too much of such as that in the Dark Ages. We will all be here no doubt after this race has passed in history, why not run it through clean, like courageous men, and leave the decision to the fair minded citizens of the County. I wish to say here to my friends that they need have no fear of me descending into the mud, I expect to hold their respect and good will by making a forceful clean campaign.

Barbourville Auto Owners

Did you ever stop to think Mr. Auto owner that there are rules of driving that you must observe?

It is your duty to sound your signal for every street crossing in Barbourville as you would in Louisville.

It is your duty to have your lights burning while you are driving at night.

It is your duty to take the right hand side of the street

when you meet others.

It is your duty to watch your business in turning the corners.

It is your duty to drive your car so as to keep within the speed limit.

The traveling public must be respected as to their rights and it is up to some one to protect them and you had as well learn now as any time that you will be compelled to comply with the Automobile Law. It is dangerous to drive your car in such a manner as that they are not easily

I feel that it is well known by now that I am proposing a Business Administration in the County Court. If elected I intend to know at all times just the exact condition of the county's funds and have it so arranged that any taxpayer can see for himself just where we are. The law says that it is illegal for the County Court to plunge the people of the county in debt without submitting the question to a vote of the people. If elected I shall demand as your attorney a strict and rigid enforcement of this law.

I ask all those who as yet have not settled in their minds who is the proper man for this important office to consider well the merits and preparation of each of the applicants. To my friends, I wish again to say that I appreciate your loyal support, more than I have the power to express and I shall endeavor to repay you by rendering good, honest service to our debt burdened county.

Yours truly,
JAMES S. GOLDEN

controlled. There are many little children in the city who do not know better than to step off the sidewalk in front of your car and there are many who might be attempting to cross the street or may be in the street and not notice the car until it is too late to get out of the way. Now there is no one but that would be sorry to hurt a child or older persons but that is exactly what will happen if you are permitted to drive recklessly.

Now the traveling public owes

a duty to the Auto owners as well.

It is your duty to look out for your own safety as much as you can.

Do not undertake to cross a street without first looking to see if any one is near in a car.

When a signal is given by the driver of a car look up it won't hurt you to look.

Parents instruct your children to pay some attention to the signals of Auto drivers.

there is something like 100 cars in use and as the town is small and the streets narrow it is extremely important to observe the rules of driving. The officers of the city have had considerable trouble in trying to get you to observe these rules of driving and hereafter they are going to compel you to keep within these rules.

Now if you get stuck with a fine Mr. Auto Owner it is your own fault.

FAMILY CARES.

This information may be of value to many a mother in Barbourville.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's life is far from a happy one. This condition has often been corrected by the use of Doan's Kidney Pills. When relief comes the mother's burden will be lighter and her home happier.

Mrs. Bert Catron, School St., Barbourville, says: "I consider Doan's Kidney Pills a good remedy for kidney trouble. One of the children had weak kidneys and the passages of the kidney secretions were irregular. The skin under the child's eyes was swollen and the little one complained of being tired and had dull back-aches. I read of Doan's Kidney Pills and bought some from the Costello Drug Co. They soon relieved the child of the trouble and put his kidneys in good condition."

K. F. DAVISA FAMILY
MEDICINE

In Her Mother's Home, Says This
Georgia Lady, Regarding Black-
Draught. Relief From Head-
ache, Malaria, Chills, Etc.

Ringgold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theodor's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, and we would take Black-Draught pretty regularly until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us a lot of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theodor's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit. If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.

Theodor's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theodor's the original and genuine. 27

office of sheriff, well, you just
keep your eye on the Ad-
vocate next week and you will
have another think coming to
you.

On last Tuesday, Mr. D. B.
Faulkner, one of Knox County's
Most substantial citizens and pro-
sperous farmer died at his home
on Camberland River about six
miles south of Barbourville. Mr.
Faulkner was 71 years old and
was well and favorably known
all over Eastern Kentucky. He
was a member of the Methodist
Church and a Mason of the old
school. He had been a member
of the church for 25 years and a
member of the Masonic fraterni-
ty for 47 years, having served in
every office in his lodge, and as
Senior Deacon and Grand Pur-
suant of the Grand Lodge of
Kentucky, which made him ex-
tremely popular and well known
to all the Delegates of the Grand
Lodge of Kentucky. He also had
the distinctions of presiding over
his lodge more than any other
living man.

His funeral was held at the M.
E. Church south, Thursday which
was conducted by Rev. S. C.
Williams, and buried under the
auspices of the Masonic Frater-
nity. There was a large concourse
of people in attendance both at
the church and cemetery, which
is an evidence of the high esteem
in which he was held by all who
knew him.

He married a Miss Glascock,
and to them were born twelve
children, five of the are yet living
T. F. and Geo. who are farmers
and W. C. who is now and has
been for many years a teacher in
the city high schools here, and
Mrs. Warfield of Swan Lake, Ky.
and Mrs. W. H. Moore who re-
sides in North Dakota; all were
present except Mrs. Moore.

Lieut. Governor J. M. D.
Black presided as Master and
conducted the funeral services of

the Masons and paid a beautiful
tribute to his old friend and pro-
ther who had been his life long
friend in all his undertakings,
which was most appropriate and
timely. Beside his wife and five
children, he leaves an innumera-
ble host of friends and admirers
to mourn his loss.

The mayor, J. M. Wilson, R. W.
Cole, "Ye Editor" Tom Fuller
Dug Fuller, Frank Davis and
several other returned yesterday
from Ashland Ky., where they
attended the Great Council of the
Imp. O. R. M., they say that they
had one more time.

W. C. Pierce, W. W. Dalton
and Isaac Kuns of Warren, were
here Thursday attending the
funeral of D. B. Faulkner.

Several of the oil men who
have interest here went to Win-
chester last Sunday.

Mr. and Mrs. W. T. Cody, who
came here about one year ago,
left last week for their former
home in Louisville, Ky. where
Mr. Cody is engaged in the Au-
tomobile business. Mr. and Mrs.
Cody while here made many
friends, and were liked by every-
one who knew them. They set
a thanksgiving dinner for the
poor children last year, and more
than 75 children both white and
colored, took dinner at their home
that day. We regret to lose
these good people, and hope that
they will return some day to stay
with us.

It is the request of the Civic
League that all person stay off of
the streets with their automobiles
except in cases of extreme neces-
sity until the oil has settled in
good, that they have so gener-
ously sprinkled the streets with.
It is true the owners have donat-
ed, but we believe that they
should be given full credit for the
move, as they were the ones who
started the move.

Mr. W. M. Smith, of Lancaster
was here for a short stay with
his daughter Mrs. W. H. Mc-
Donald this week.

Mr. C. A. Steele who is with
the Advocate, has moved here
with his family, and has taken
up his residence in the New Black
addition.

Mr. L. C. Miller has moved in-
to his new store, and it is some
swell store too.

Kentuckians All Over State
Find Tanlac Great Help.

NEW TONIC GAINS FRIENDS

Hundreds of Kentuckians do not hes-
itate to come out publicly in praise of
Tanalac. Men and women in every part
of the state have been helped back to
good health by this new tonic. Here
are just a few of the hundreds of
statements made by people of the Blue
Grass State in regard to Tanlac:
SALYERSVILLE—Nancy J. Powers:
"I was troubled with my stomach and
rheumatic pains. My muscles were
sore and my feet didn't seem to dis-
tend. Since taking Tanlac food
doesn't disturb my stomach and the
pains have disappeared. Tanlac is
surely a great medicine."
BUCKINGHAM—W. W. Linn, lumber in-
spector: "Dyspepsia, constipation
and nervousness had caused me to
become so run-down that I was un-
able to work. Tanlac was recom-
mended to me by several friends.
Now I can do a day's work with any-
body."

VALLEY STATION—George Ray,
farmer: "For more than a year I
was troubled with my stomach. I
would wake at night with cramps.
After three bottles of Tanlac my
stomach never bothered me. Tanlac
certainly is a great tonic."
STEPHENSBURG—Ella Young, mer-
chant: "My system had become so run-
down I had trouble getting a good
night's sleep. With my first bottle of
Tanalac I began to feel stronger, and I
now sleep better than in years."
KILGORE—Joe W. Cotton, farmer: "I
am in my seventy-ninth year and
naturally am subject to ailments, par-
ticularly stomach. Since beginning
Tanalac I have felt so much stronger
that I will continue using it until my
stomach feels entirely well."

Tanalac, the master medicine
and reconstructive tonic, is sold
exclusively in Barbourville by
Herndon Drug Co.

"The Birth of A Nation" Coming to Middlesboro

It will be welcome news to dwellers hereabouts that D. W. Griffith's gigantic military spectacle, "The Birth of a Nation," is to be presented at the Manning Theatre, Middlesboro, exactly as it has attracted capacity audiences in Memphis, Nashville, Cincinnati, Louisville and large cities of the South. The complete D. W. Griffith touring organization, including a symphony orchestra of 25 New York musicians, is to be brought to Middlesboro, under a special guarantee arrangement with the local management for a two day's engagement beginning Monday Night, May 14th.

A matinee will be given Tuesday, May 15th, and seats, for all performances are now on sale at Lee's Drug Store, Middlesboro. The engagement of "The Birth of a Nation" is the most important theatrical event undertaken in Middlesboro in recent years and unusual precautions are being taken to insure the comfort of patrons from outside the city. The tickets sold in advance will entitle the purchasers to particular seats at the performance for which the tickets are dated, thus envelope to be used in forwarding the tickets.

The night performances, will begin at 8:15 and at the Matinee at 2:30. The prices will be Nights 50c, 75c, \$1 and \$1.50; Matinee, 50c, 75c, and \$1. The 50c seats are not reserved and cannot be bought in advance.

Owing to the limited capacity of the theatre no tickets will be laid away unless paid for. Thus protecting them against disappointment in the event of late arrival. All the reserved seat tickets are dated and good only at the performances specified.

Mail orders are now being accepted and patrons ordering seats by mail are cautioned to specify which performance they desire to attend. Mail orders must also be accompanied by remittances payable to the theatre, together with a self-addressed, stamped engagement will probably afford people in this section their final opportunity to witness "The Birth of a Nation." D. W. Griffith having announced that he will soon withdraw it from the road to eliminate competition with his new masterpiece, "Intolerance."

The Times has had its ear to the ground, and while Lay and Catron both claim Knox Co., over the other and while each of these gentlemen have a good following in the county, we believe they are both on a cold trial. We believe that when the smoke has cleared away that J. C. Bird will not be many votes behind the foremost man in Knox county, if he is any behind. Knox county voters have a fine sense of justice and fairness as any set of people, and a large per cent of them feel that Whitley county is entitled to the Judge at this time. Knox has the Lieutenant-Governor, Congressman, Judge of the Court of Appeals, State Senator and Representative, and has had the Circuit Judge for years.

Whitley county has been standing by Knox county's candidates Whitley polls a thousand more votes than Knox. If Whitley County was disposed to do so she could elect a Representative over Knox every time, but she has been alternating with Knox. We believe the voters of Knox county will show their appreciation of this treatment by their votes on Aug. 4th.—Corbin Times.—Adv.

Hon. J. C. Bird, the live-wire candidate for Circuit Judge, was in town Saturday. Mr. Bird is not trying to WIN the race; he is seeing how BIG A MAJORITY he can roll up.—Ex.—Adv.

Vote For R. S. ROSE, for CIRCUIT JUDGE

Republican Primary, August 4th 1917

I ask your support for Circuit Judge. I have practiced law 18 years and all that time represented the laboring people and been opposed to the aristocrat, rich and powerful. I have not been a pliant tool in the hands of the big corporations to oppress the laboring man and his family. The coal miners, farmers, and laborers have been my clients. I have fought their battles for them as best I could. I have not robbed the laborers by selling at two prices, which are commissary prices, the company's goods to them. Go ask the laborers whether I have ever failed to do my full duty towards them, my clients. The widows, orphans, crippled and maimed I have stood by and fought the rich and the strong and fought the flunkies of the strong. I claim to be a lawyer and not a petty politician who tells any sort of a tale to get votes. I will enforce the law as I see it on high and low, rich and poor, big and little alike. I belong to no man nor corporation and never did. I am the sole proprietor of myself. I will do my best to judge all cases righteously. I thank you for your support.

R. S. ROSE

Wanted.

Fifty good coal miners to work in the mines at Straight Creek, Bell County, Kentucky; men with families preferred. This company pays the highest wages in the district. The coal is easily worked and a good workman can make from \$4 to \$6 a day. We have pick work, also pinchers and electric machines in our mines. We work both colored and white men.

22-4 Straight Creek, Ky.

To My Friends and Voters of Knox County

I expect to be out in my campaign for County Court Clerk, as soon as I can get relieved from my father's bedside, who is very sick and is expected to die at any time from gan grene. It is killing him slowly by degrees. Do not think for one moment that I am not going to make the race, for I am on until elected, or defeated, on August 4, 1917.
